Sir:

Applicants respectfully request that the Examiner initial the last foreign patent document, GB 196865, listed on the enclosed 1449 form which was submitted as part of a Supplemental Information Disclosure Statement filed January 22, 2003. The initialed form was returned to us with the Office Action mailed May 13, 2003, and appears to indicate that GB 196865 was inadvertently not initialed. A duplicate copy of document GB 196865 is enclosed for the Examiner's convenience.

It is believed that no fee is due with this submission. If this is incorrect, please deduct any fee required from deposit account 07-1969.

Respectfully submitted,

Tamala R. Jonas
